

Hello Grant and family,

We bought our camper from you back in June at the Melbourne show and we have just arrived home from a fantastic holiday on the sunshine coast and Hervey bay. Everything in the camper worked a treat. We had one day of very heavy rain but everything stayed dry.

The modifications you made to accommodate Luke's wheelchair proved very successful. We are already planning a few days in Ballarat in the New Year. We hope you and everybody at Complete campsites a merry Christmas and a successful 2010.

We have attached a couple of photos.
