

OUR STORY

Back in the early 90s, Complete Campsite launched a range of soft-floor camper trailers that could criss-cross the Australian landscape in comfort, ease and safety. If you were a family looking for a weekend break or an adventurer looking for an extreme off-road experience, we made the trailer for you. But, like our customers, we've come a long way since then!

We've pursued a path of continual improvement and in the last several years we've won major awards for every aspect of our business – product design, manufacturing quality, our dealer and retail services. Complete Campsite prides itself on Campers that are of the highest standards in the industry. Each model we produce is carefully designed and constructed to thrive in the harsh Australian landscape all the while providing the ultimate in comfort, simplicity and protection. It's what we call Rugged Refinement.

Complete Campsite remain one of the industry leaders for innovation and design. These elements are the foundation of our business and are the main reasons you can have confidence in our products.

Complete Campsite always have off-road camper trailer projects on the drawing board to further complement their range and are invested in coming up with new ways to make your camping experience the best it can be.

As always, we're going further so you can go further.

EXODUS 11

The Exodus 11 is the perfect combination of an off-road camper trailer and a camper. Rugged yet compact, it has proven off-road agility without compromising all the creature comforts of a camper.

The E11 is aerodynamic and lighter than its larger siblings for increased fuel economy yet can be optioned with twin bunks and extra storage for the whole family. Still keeping the full queen sized bed, internal lounge/dinette, awning and kitchen areas, the E11 is perfect for those who want the full off-road, outdoor experience.

Mostly, the design advantages of the Exodus 11 will appeal to couples who want the luxury of 'camping-on-the-go'. There's very little canvas and so set up time is as long as it takes to park. (Given the ease of maneuverability, that won't be long!)

QUICK FACTS:

Length - 5700mm Width - 2000mm Height - 2370mm

Tare Weight - 1700kg Ball Weight - 180kg Gross Weight - 2500kg

INTERNAL LAYOUT:

Internal layout options to choose from:

- Corner lounge & 3 drawers adjacent to main door (standard)
- Corner lounge & 2 drawers and built-in sink (additional cost)
- Long lounge across rear with 3 drawers opposite main door
- Double bunks across rear with 3 drawers opposite main door (additional cost)

EXODUS 11 SPECS

Chassis/Running Gear

RHS hot dipped galvanised drawbar 100mm x 50mm x 3mm

RHS hot dipped galvanised chassis

100mm x 50mm x 5mm

Cruisemaster ATX independent suspension

12" Off-road electric brakes (USA Dexter)

Breakaway brake system

265/70/R17 Off-road tyres fitted to 17" Alloy Wheels

Spare wheel mounted underneath with full shroud plus winch to raise & lower

DO-35 Off-road coupling with handbrake

4 x drop down stabiliser legs

Heavy duty XO series swing away jockey wheel

4 x heavy duty mud flaps

Trailer Features

Fully molded, insulated fibreglass body with pop-top roof

Large, fully molded fibreglass storage locker on drawbar

Sealed & lockable security door & privacy screen door

3 x Double glazed windows with privacy blinds & mesh screens

Rhino Lining stone protection to front & sides of camper

Automotive water & dust sealing to all compartments

Compression locks on all compartments – keyed alike

2 x 4.5kg gas bottles plumbed to bayonet fitting

2 x heavy duty recovery points at rear

External Body Features

Ensuite pod – fitted to rear

External hot & cold shower unit

Quick roll out awning with branch deflector

Quick sun shade

Fold away entry step

Annex matting

Rhino Lining protected external storage compartments

Full width pole storage/fishing rod compartment

Portable toilet stored in its own compartment - with internal and external access

Internal Features

2 x large roll-out storage drawer under bed

2 x clothes/storage cupboards beside bed

Under & behind lounge storage hatches

Removable swivel dinette table

Chest of 3 drawers with rear vanity storage

Internal bench top

Fusion Active portable stereo

Sirocco fan

12volt roof vent

Queen sized innerspring mattress

Bedside reading lights & USB outlets

2 x TV points – 1 x internal, 1 x external

External Kitchen Features

Full stainless-steel slide out/swing around kitchen

Kitchen storage drawers & fold out benches

3 burner stainless-steel Smev gas stove

Stainless-steel built-in Smev sink – Hot/cold mixer tap

80ltr dual zone fridge/freezer on slide out drawer

Large pantry over kitchen with shelving

Stainless-steel slide-out pantry with additional bench space

Hot Water System

Webasto diesel hot water system with external hot/cold shower unit

Internal ducted heating

Has ability to draw water from an external source

100ltr internal baffled water tank

90ltr underbody water tank with full checker plate shroud

12volt water pump

Full filtration system

2 x 22ltr jerry cans

Power Features

360w of solar mounted to roof

3 x 120amp AGM deep cycle batteries

40amp DCDC / 60amp 240v smart charger

2000w pure sine inverter powered to all power points

Full power & water monitors at a glance

3 x double 240v outlets

12volt outlets & USB outlets

Interior & exterior LED lighting throughout incl. bedside reading lights, LED strip lighting to side storage compartments, yellow/white bug repellent lighting

50amp Anderson plug

LED submersible tail & clearance lights

EXODUS 14

The Exodus 14 has been the resounding success story for Complete Campsite for several years. Since its inception, it has won many major industry awards due to its proven off-road technologies and superior comforts.

Having manufactured off-road camper trailers for over a decade, the Exodus 14 is a combination of everything that's great about an off-road trailer and a luxury on- road camper. The fibreglass shell is molded in a single piece and you can hammer over corrugated roads in the certain knowledge it's not going to crack at the seams.

QUICK FACTS:

Length - 6350mm Tare weight - 1850kg Width - 2000mm Ball Weight - 190kg Height - 2370mm Gross weight - 2500kg

EXODUS 16

Complete Campsite's Building on the outstanding success of its smaller siblings, the Exodus 11 & 14, the Exodus 16 combines innovative manufacturing techniques to minimise weight yet maintain strength for those rugged conditions.

The Exodus 16 comes with all the quality essentials and comforts you have come to expect in any Complete Campsite product. You'll love your queen-sized bed with innerspring mattress, quality upholstered seating and large dining facilities, luxury stainless steel kitchen, ample and convenient storage, hot-water and ducted heating. All this and more, enables you to enjoy the comforts of home whilst exploring the Australian outdoors.

Simple to set up with minimal effort, and the option to add additional bedding means the Exodus 16 is appealing to families and couples alike. Just park, lift the roof, set-up the external kitchen and your home is ready for living – wherever you are.
